

Lightning Elite Men's Costume Size Chart

Measure your dancer and select their size.

Measurements are in inches.

If your dancer is between sizes choose the larger size.

Tape measure should lay flat for all measurements, do not pull tight.

Please choose only **one size**. Choose larger size if unsure.

There are some measurements similar between the larger child and the smaller adult sizes.

Keep dancers height in mind when selecting your size.

XLC is for dancers that are child height

SA is for dancers that are adult height
